## You Will Make *Extraordinary Changes!*

Hello, Everyone!

In order to redefine or recreate the next phase of your life, you will need to change.

Change! Change what?

Let me say it clearly you have to change things that aren't working in your life right now. Things that are preventing you from getting what you want in this world will have to go. You will probably change: your thinking, your beliefs, your dress, your perceptions, your assumptions, your opinions or your communications skills. If you are ready for a change, but don't know where to start, try attending a fabulous event at **Salon 13500 in Dallas: The Dating Diva Makeover Party!**

Transform your life by updating your look. Come see how real customers have been given makeovers with highlights, haircuts and fresh summer makeup. They will also model dating outfits from Liz Morgan Fine Apparel. There will be free drinks and appetizers and drawings for free dating coaching sessions, copies of Dating 101 and salon services and products.

After your makeover, you will have more confidence to Be Approachable. This is my favorite subject.

I have gotten more compliments from my willingness to smile at a stranger. It's the best form of flirting because there is nothing attached to the smile, except a genuine feeling of friendliness. When you are dancing, dining, shopping or sitting at the local coffee shop, turn on the smile and keep smiling. Even if you're smiling at no one! Your conscience likes it too. You can fool yourself into a good mood by smiling.
